Dave Tomlinson conference

Thirty people from Christ Church and other churches from across the city came to spend a day with Author, Vicar, and Broadcaster **Dave Tomlinson**. The day was organised by Huw Thomas and provided us with a feast of thinking about God. Dave challenged us to think about how we thought and spoke about God, how we prayed and how many people have a deep spirituality but find Church very difficult to understand let alone attend. Dave spoke out of his long experience at a diverse North London church. Our picture shows, Denise Lawrenson, Jack Flannigan, Dave Tomlinson and Jill O'Sullivan

Welcome to our services.

Please join us for refreshments after the service .

New to Christ Church? Please ask to fill in a **Welcome card** at the door so we can keep in touch with you.

In response to our climate change petition:

Dear Ms Ireson,

Thank you so much for being in touch.

Could I just say how much I appreciate the commitment of each of you, as individuals and as a church community, to the future of our planet and the quality of life and wellbeing of everyone in it?

As you will know, Ed Milliband was Energy Secretary before the election of 2010 and played a significant role in the negotiations at Copenhagen.

As a party we are committed to ensuring that we put sustainability and action to avoid unnecessary climate change as a very high priority.

I do hope we can make this abundantly clear between now and the General Election so that you are in no doubt of our green credentials and above all our commitment to making it work and gaining international agreement which, as you rightly outline, is vital to any form of success in this area.

Thanks again for being in touch and be assured I will do my best to obtain a really meaningful and lasting commitment.

With very best wishes,

DAVID BLUNKETT

WORD FOR TODAY November 2014– January 2015 are available at the back of church for free. If you would like to have an aid to reading and reflecting on a verse of Scripture each day then please take one...reading the Bible is one of the ways we can deepen our faith and grow in our discipleship and in prayer.

Church Directory 2015

It is hoped to update contact details in the directory at the beginning of the New Year. If you joined the electoral roll last April and agreed for your details to be included in the church list/directory, you only need to **let us know of any change of address, phone number or email address...**unless, like Holly, you have also changed your name. If **you come to church and want to be included** so you can 'phone a friend' for instance, then please take a **form from the Welcome table and put it in the box**. Remember if you are new, but **do not want to be in the directory there are newcomer cards** also on the Welcome table. The information on these will go to leaders only to give us details so that we can support you as you wish.
