Information: there are a variety of information leaflets and charity magazines in a blue folder on the table at the back by the font. Please have a browse. If you bring information for church it would be **helpful if you could put it in the folder** as this makes it easier to find. There is not room to spread lots of leaflets on the table.

If you would like to make a donation to the flower fund or help arrange flowers in church, please see Frances or June. Help to arrange flowers would be much appreciated.

Thanks

A group of thirty of us travelled across yesterday to a very windy and dusty Yorkshire Wildlife Park for a special Children's Church outing. We took the minibus and some cars and it was great to be together and experience some of the spectacular animals at the park. The children particularly loved the amazing adventure playground and indoor play areas. We watched the wallabies feeding and learnt a bit about the conservation projects at the Park. We also saw Victor the Polar

bear going for a swim!

Welcome to our services

Please join us for tea or coffee after the service.

New to Christ Church? Please ask to fill in a **Newcomers card**

with your contact details and hand to Welcomer or Church leader so we can keep in touch with you.

Thank you to all who have donated the total was the biggest ever of £451.50 plus £245.20 from the Karen Church . So we have sent off a total of £696.70 and asked that the money can be split between the Nepal earthquake as well as some to other projects. Thank you to all those who have donated and to Karen and those who went on the walk for all their effort.

Want to find out more about the Christian faith? Why not come on a six week START course. Please ring or email Philip (see front of sheet) Delayed at present:

We are looking at fixing a time to suit those who can't make evenings so please ask Philip

The kitchen now has an electricity supply and everything is plumbed in. We are just waiting for the cupboards to be finished and locks fitted.

The hall roof is also finished and the scaffolding will be moved down to work on the lower roofs on Monday. The hall ceiling is plastered and will be painted next week. Hopefully the internal scaffolding can then be removed and everything cleaned up.

15th and 16th June clean up: Please can we have volunteers to help get everything clean and tidy for Toddler group & Night Shelter to be up and running by Tues night/Wed am ?

Coach trip to Cleethorpes on Saturday July 4th, There is a booking list on the Welcome table to sign up. Alternatively bookings to Maureen (see front). Frances will be around on Sundays to take money for places. These cost £7.50 for adults and £5 for children. Please keep your receipt safe as it will act as a ticket for now.

*Please pray for Rev Louise and her husband Alpha who have been injured in a car accident on M1 returning from London. Pray for St Cuthbert's as they lead a family service themselves today while Monica takes a service at Bolsterstone. **Mission Partnership Hub** meeting on Tuesday was productive and the partnership will probably be called **Northern Lights***

Review of hospitality and welcoming

It is over a year now since we reviewed our welcoming and refreshments provision. There will be an opportunity shortly to review what we do and look to improve our practices . We also hope to provide some training for people who wish to join the team as a response to giving their talents. Frances is hoping to check possible dates with everyone on the teams in the next few weeks.

Safeguarding Training

Sue Booth is retiring and a new Diocesan Safeguarding officer will be appointed over the coming months. After discussion with Sue last week, it has been decided to wait until the new person is in post when the course has been updated to include new information. So sorry for the last minute notice **[TRAINING ON SATURDAY 13TH JUNE IS CANCELLED](#)**
